

You're invited to Monthly International Dhikr Celebrations

Sponsored by SSC & the Sufi University.

Allah says,
"When you remember Me, I remember you.
When you remember Me in a group,
I remember you in a group higher than yours."

Imagine everyone in our tariqa coming together in love at the same time to remember Allah in dhikr circles throughout North and South America. One hand. One heart. One big communal dhikr.

Here's how it works. On one Sunday each month, beloveds will gather for the group dhikr – at their local Sufi centers or in their homes. A University faculty member will first give a brief teaching and then lead the dhikr. The celebration will be broadcast via both video and teleconference.

After the dhikr, each community can break into its own potluck celebration.
